Cb 114-41-1

SIR,

I am directed to state that the District Magistrate of Kadur in his letter No.J.1. P.R.81-134/40-41 dated the 21st November 1940, requested that, as the procedure prescribed in the Mysore Civil Account Code regarding the daily credit of fine amounts into the Treasury cannot be followed in the case of fines collected in the Munsiff-Magistrate's Court at Narasimharajapura, where there is no Sub-treasury, sanction may be accorded to credit all the fine amounts realised in that Court once a month as in the case of amounts realised on the Civil Side.

The system of remitting the decree amounts, etc., of the Munsiff's Court at Narasimharajapura to the Treasury at Koppa, introduced tentatively for a period of one year under Government Order No.4290-1/Cts.(46)-26-4, dated the 23rd February 1927, has been subsequently continued in Government Order No.Fl.6123-5/G.F.158-29-2 dated 13th/15th March 1930 till such time as a Branch Treasury is opened at the place.

The Comptroller to Government was consulted in regard to the procedure suggested by the District Magistrate and was requested to state whether there would be any objection to adopt that procedure in regard to Criminal fines also.

In reply, the Comptroller requested that he might be informed of the limit up to which the amount of collections in that Court could be kept with safety in the Court. The District

Magistrate of Kadur District on consideration has recommended that the Munsiff-Magistrate of Narasimharajapura may be permitted to keep the collections of his Court up to a limit of Rs.100/- only or till the end of the month (vide District Magistrate's letter of 21 April 1941 - copy enclosed) and the Comptroller to Government has agreed to this.

I request that in the circumstances the Government may be pleased to permit the Munsiff-Magistrate of Narasimharajapura to keep in his Court amounts collected on the Civil side and the Criminal side, taken together, up to a limit of Rs.100/- (Rupees on hundred only) and that he be directed to remit such collections to the Koppa Taluk Treasury by Postal Money Order whenever the amount reaches Rs.100/- and also at the end of each month.

I have the honour to be,

Sir,

Your most obedient servant,

T. Ramiengar

SUBJECT: Money-limit to be kept in the Munsiff-Magistrate's Court, Narasimharajapura before being remitted to the Koppa Taluk Treasury.

Adverting to your letter No.R.O C.595/40-41 dated 5th March 1941 calling for my report on the above subject, I have the honour to state as follows:-

The District Judge, Shimoga was consulted in the matter as requested in your letter under advertance. He states in his letter No.2689/1288 dated 1st April 194 that the Munsiff-Magistrate, Narasimharajapura is now keeping with him the amount collected in his Court under several heads - Decree amount, Sale proceeds, Petty items, Duty and Penalty up to a sum of Rs.100/- and then crediting it at the end of the month to the Koppa Taluk Treasury. Whenever the sum exceeds Rs.100/- he sends the entire amount immediately by postal money order to the Treasury. The District Judge adds that as there are two iron safes in the Munsiff-Magistrate's Court, N.R. Pura, this practice may be permitted. A copy of his letter is enclosed for kind perusal.

Agreeing with the District Judge, I recommend that the Munsiff-Magistrate, N.R. Pura may be permitted to keep the collections of his court up to a limit of Rs.100/- only till the end of the month when he should credit the money to the Koppa Taluk Treasury.

With reference to your letter No.J.I.C.3303/40-4 P.R. 336 dated the 12th March 1941 requesting to be furnished with my opinion of the limit up to which the amounts collected in the Court of the Munsiff-Magistrate at Narasimharajapur may be permitted to be kept in that Court before being remitted to the Koppa Taluk Treasury, I have the honour to state that the opinion of the Munsiff of Narasimharajapura was called for and he reports in his letter No.777 dated 21-3-41 that if the amount collected is more than Rs.100/- in respect of each of the marginally noted item, it is being credited to the Koppa Treasury by postal money orders / then and there and that if the amount collected is less than Rs.100/- it is being credited to Koppa Treasury once in a month through process server when sent for encashment of pay bills. There are two iron safes in that court that keep the amounts. I agree with the opinion of the Munsiff-Magistrate, in the matter.
